

Shaping the Future of Risk

# A 20 min Risk Workout (Energising Risk)

Val Jonas  
CEO Risk Decisions Group

# Risk Creativity

- Exercise the mind
- Fresh thinking
- Boost positivity

Capacity - Power - Dynamism

# Risk Synergy

- Stronger together (connect risk)
- Learn and act
- The sum is greater than the parts

Perspectives - Knowledge - Communication

# Risk Intelligence

- Create a safe place to explore risk
- Take people on the adventure
- Tune into C-suite thinking

## Vision - Values - Results

# Risk Success

- Positive risk thinking
- A force for good
- Shaping the future

Decisive - Innovative - Future-proofed

# Time to get energised!

- Listen to yourself  
(are you sending positive risk vibes?)
- Be curious about the future
- Believe in the power of risk

Thank you for listening!
